

INTERMETAL

**OUTDOOR
LIVING®**

CONTRACT FURNITURE MANUFACTURER

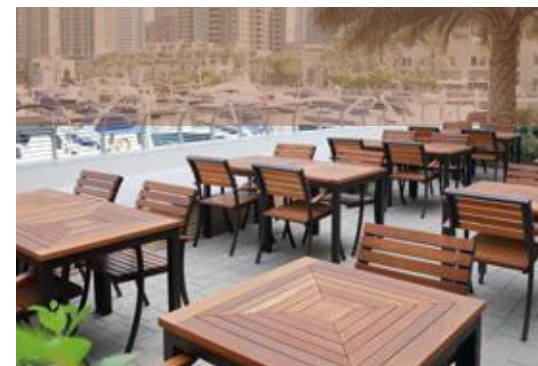

Outdoor Furniture Manufacturer

Aluminium

Manufactured from high grade aluminium and welded using the latest technology, Intermetal's aluminium outdoor furniture collection is the recommended and specified choice for hotels, resorts and restaurants. Our comprehensive product line consists of quality tables, chairs, sofas, loungers and bar stools manufactured for the commercial contract market. Available in a wide range of styles that include upholstered aluminium, aluminium and teak and aluminium and sling, each of the collections can be integrated to create unique outdoor spaces. A durable range that is light in weight, strong in stature, resistant to rust and virtually maintenance free, making it the perfect outdoor furniture solution.

Teak

An eco-friendly furniture option that is available in a variety of designs. Resistant to natural weathering teak wood is durable and easy to clean. Manufactured to stringent quality and commercial standards teak furniture is the ideal choice for hotels, restaurants, cafes, clubs and resorts. The collection includes tables, chairs, loungers, sofas, bar stools and bar tables. Trends change, but teak furniture never goes out of style. Well designed and recommended for contract use, our range fulfills the market requirements.

Rattan

A versatile furniture collection comprising of tables, chairs, sofas, loungers and daybeds. Available in an array of styles and weaves, we offer contemporary and classic designs that are manufactured from quality synthetic Viro and Rehau fibers and upholstered in weather resistant materials. Strong and durable, the furniture is manufactured for high volume commercial contract use.
