Contract Furniture Manufacturer

Intermetal is part of Harwal Group, an intuitive, innovative and agile management holding with diverse manufacturing companies in the United States, Europe, the Middle East and the former Soviet Union. The technological and manufacturing capabilities of the Group are evident by the wide product range and volumes that are produced by the Group companies.

Since 1989, Intermetal has specialized in the design and manufacture of Banquet, Conference, Hotel Room, Outdoor, Restaurant, Office and Educational Furniture. What sets us apart is that we are a one-stop-shop for hospitality contract furniture and are reputed as a manufacturer of complete furniture solutions for both indoor and outdoor use. Tested for strength and durability, our products are exported to a worldwide client list and we are proud to be the specified supplier to renowned hotel groups.

Our comprehensive Banquet & Conference collection includes stacking chairs, folding banquet and conference tables, conference seating, buffet units, staging systems, dance floors and accessories that are manufactured from the finest materials that integrate style, comfort and functionality. The

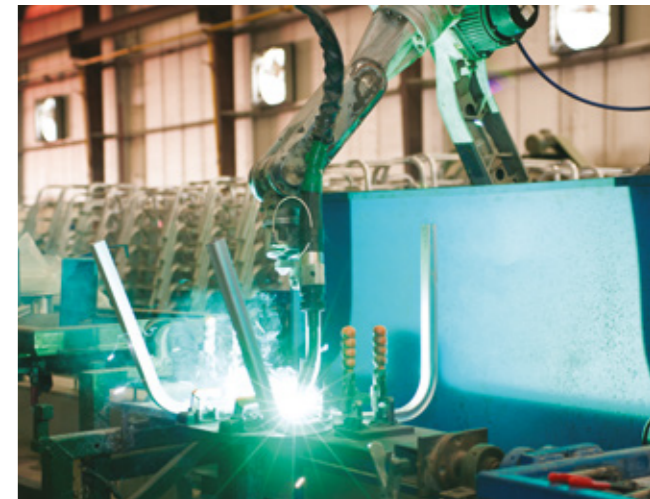

product line includes contemporary designs and updated classics.

A highly experienced in-house Design team is continuously exploring new shapes, finishes and manufacturing methods to create innovative and flexible solutions to meet the market requirements. A dedicated management team, a diverse workforce and skilled craftsmen work in unison to provide furniture that exceeds our customers' expectations.

At Intermetal, we manufacture the furniture that we sell and that is important to our customers. Our factory, located in Dubai, UAE is equipped with CNC bending and routing machines, robotized welding, powder coating and chrome plating lines, upholstery and includes a state-of-the-art joinery for woodworking. With the ability to monitor all areas of production, we guarantee quality and durable products.

As a leader in our field, we remain committed to the manufacture of innovative products, lean manufacturing processes, ethical and responsible workmanship and sustainability. Our finished products speak for themselves and reflect Intermetal's commitment to excellence.
