NEW TILT RANGE

Tilt is a flexible buffet system comprised of round metal risers compatible with a range of top solutions for both wet and dry foods. Pick from bowls made of solid walnut, spun brushed brass and black glass or plinths made from luxurious marble or solid walnut.

The Tilt risers feature a precision fitted rubber gasket, which gently grip the bowls surface, allowing these to be used at various angles depending on the display requirements of your events.

Craster creates innovative luxury product ranges for premium Hotel, Retail and Restaurant groups. We bring together exceptional design and manufacturing talent and offer a complete product development solution from the inception of the idea to delivery of the product.

ALL-DAY-DINING SOLUTIONS

Current industry trends are moving away from room service due to costs and changing tastes, many hotels are moving toward Grab-and-Go and All-Day-Dining concepts. The Flow and Tilt ranges are a perfect fit for this new market as you can easily create a different look throughout the day with just a small number of accessories.
